Application Checklist

- Copy of Dated Sales Receipt Specifying Quantity and Price of each LED
- Completed Application Additional Information

By participating in The Glencoe Light & Power Commission Rebate Program, you can save energy and earn a rebate when you purchase LED bulbs, fixtures and linear tubes.

What Rebate Can I Earn?

LED Bulbs: The lesser of \$3 or cost of bulb.

LED Fixtures: The lesser of \$10 or cost of fixture.

LED Linear Tubes: The lesser of \$4 or cost of tube.

LED Decorative String: The lesser of \$4 or cost of the strings.

Which LEDs Should I Buy To Replace My Current Incandescent Bulbs?

What Does It Mean For LED Bulbs To Be ENERGY STAR Qualified?

- Uses 75% less energy than traditional incandescent lighting.
- Lasts at least 6 times longer than traditional incandescent lighting.
- Brightness equal to or greater than existing lighting technologies.
- Constant light output over time and excellent color quality.
- Light comes on instantly and doesn't flicker when dimmed.
- Fixture doesn't use power when turned off.

Use the easy to read reference chart below to select the comparable LED Wattage.

(Lumens in the chart below)

Incandescent Bulbs watts	Minimum Light Output Lumens	LED Watts
40	450	6 to 8
60	800	8 to 12
75	1,100	13 to 15
100	1,600	15 to 18

SMART ENERGY: REBATES

2026 Residential LED Lighting Rebate

How do I Qualify?

1. Residential customers receiving electric service from The Glencoe Light & Power Commission are eligible for a rebate when they purchase LED bulbs, fixtures or linear tubes and install them in a home receiving electric service from that utility.
2. Rebated bulbs are the lesser of \$3 or the cost of the bulb; rebated fixtures are the lesser of \$10 or cost of the fixture; rebated linear tubes are the lesser of \$4 or the cost of the tube; Rebated decorative strings are the lesser of \$4 or cost of the string; and the total rebate limit is \$350 per year per customer account.
3. Customer must apply for rebate within one year of the purchase date shown on the sales receipt.
4. Rebated bulbs may not be used for resale.
5. Rebate applications must include a copy of dated sales receipt specifying quantity and price of each LED. Incomplete rebate applications will not be processed.
6. Rebate requests are processed on a "first-come first-served" basis. Annual rebate funds are limited. Rebate programs, qualifications, and amounts are subject to change at any time. The customer is responsible for checking with The Glencoe Light & Power Commission to determine whether the program is still in effect.
7. A percentage of submitted rebate projects will be spot checked.
8. Qualifying customers must apply for rebate by *November 30, 2026*.
9. **Rebates take 6 to 8 weeks for processing.**

If you have questions about Qualifying Equipment, please call Energy Management Solutions at (952) 767-7450.
